- Entry with Break & Retest

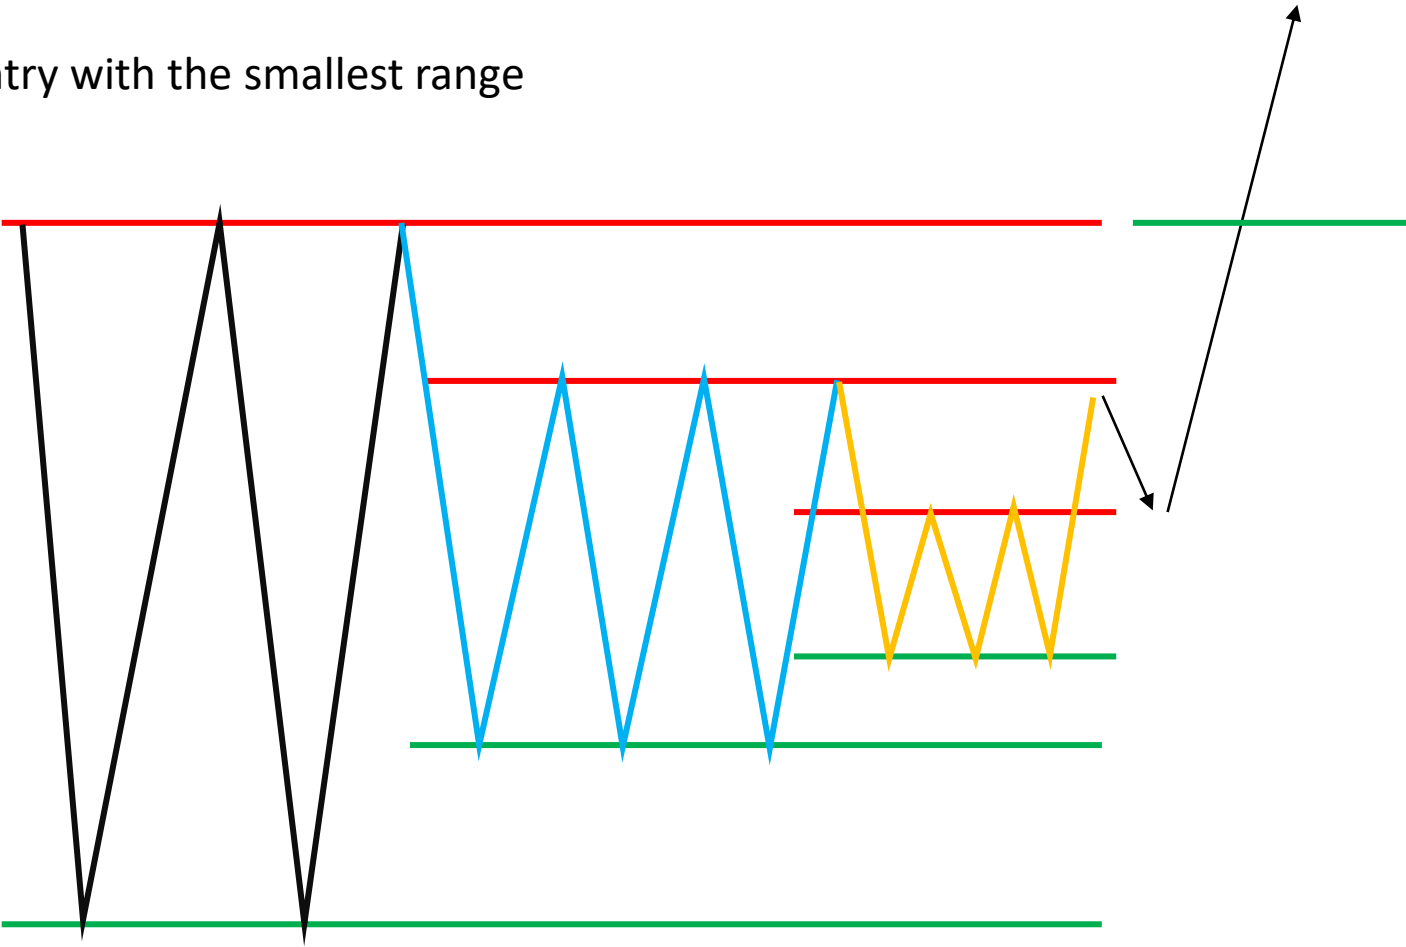

1. Double bottom / Double Top / Triple Top / Triple Bottom

- Entry with the range

1. Double bottom / Double Top / Triple Top / Triple Bottom

- Entry with the smallest range

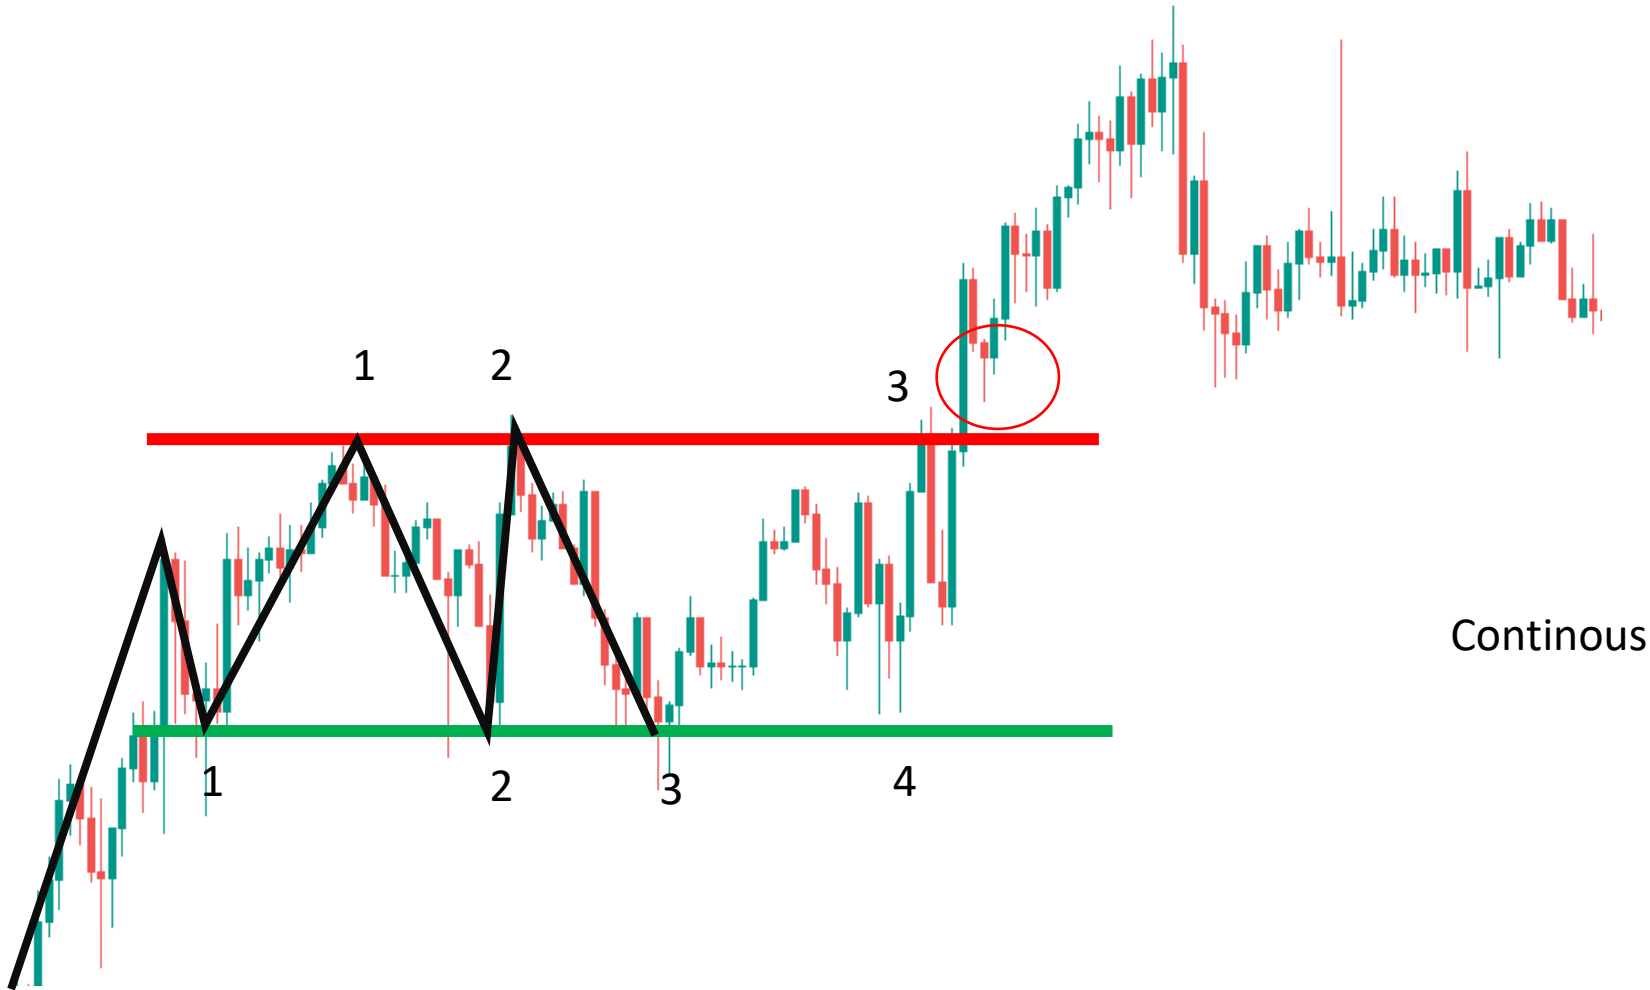

1. Double bottom / Double Top / Triple Top / Triple Bottom

Excercise :

- Finding 5 double bottom
- 5 double Top
- 5 Triple
- Define trading signal and check the results.

NZDUSD M15

AUDUSD M15

4. Recommendation

- Don't try to define the price patterns any times.
- Always check the **trend** and the **support** and **resistance** for pattern.
- For me, I just use Triangles to skip to trade.
