

# How to draw Supply and Demand zone?

## You will learn :

1. Having base
2. How to define and trade with it.
3. Examples

Having base

## General case

- Drawing Supply :
  - From : Highest of the base
  - To : Farrest close price of the base

*\*If base has the doji candle, let's cover all doji*

Examples      NZDUSD – M15

Examples

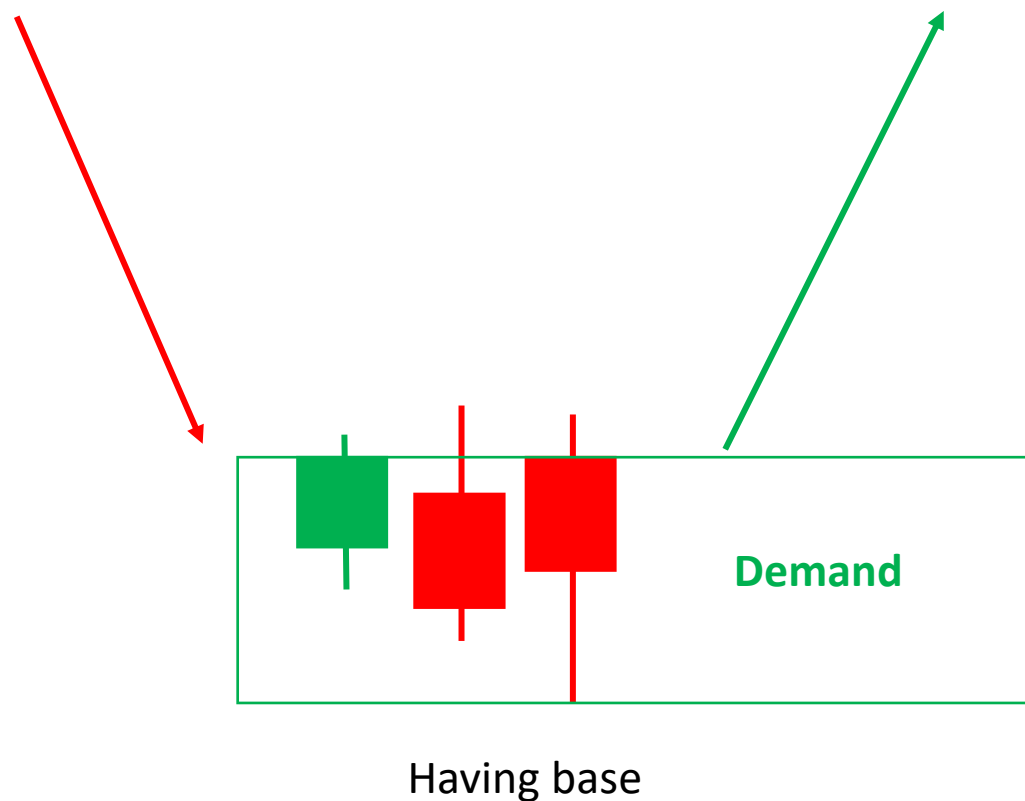

EURAUD – 1H

## General case

- Drawing Demand :
  - From : Lowest of the base
  - To : Farrest close price of the base

*\*If base has the doji candle, let's cover all doji*

Examples      AUDUSD – 1H
